## New Challenges and New Roles in World Food Policy: Volume 2, Number1 of World Food Policy (Paperback)

By Keokam Kraisoraphong

Westphalia Press, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. World Food Policy (WFP) in its third issue, features research-based papers on food policy from global perspectives, inclusive of regional and national cases. Revisiting the green revolution, a number of articles take issue with the phenomenon through interestingly different lens. This also includes exploring the implications for policy intervention occurring through the role of trans-continent actors - such as those from Asia over in Sub-Saharan Africa. Our editorial Board member also provides a LET's DEBATE piece to introduce an interactive dimension to the journal - encouraging feedback and further debate, over the coming three issues, on the arguments contained in the International Union for Health Promotion and Education (IUHPE).
