SPCK Publishing, United Kingdom, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. A New Kind of Christian recounts a lively and intimate conversation between a pastor and his daughter s high school science teacher, in which they reflect together about faith, doubt, reason, mission, leadership, and spiritual practice in the emerging postmodern world. After many years as a church planter and pastor, author Brian McLaren has found - as more and more Christians are finding - that neither the conservative evangelical nor the liberal mainline stream of Christianity fully expresses his own developing faith. McLaren s engaging story gives voice to this emerging understanding of what it can mean to be a Christian in these dynamic times, offering a constructive vision of what a postmodern Christian might look like. For all who are searching for a deeper life with God and a more honest statement of authentic Christian faith, A New Kind of Christian will open the way for an exciting spiritual adventure into new territory and new ways of believing, belonging, and becoming.
