Brand New Book ***** Print on Demand *****.MILLENNIAL SEX is a volume of short stories that explore issues of consent, desire, and millennial sexuality. This volume explores key themes of Consent, Trust, Fetishization, Trauma, Intimacy, and Respect. MILLENNIAL SEX is a vivid, gripping exploration of sexuality today. At times heartbreaking, at times cynical, at times enchantingly hopeful, and always gloriously erotic, this series takes us into the minds and experiences of thirteen very different narrators as they each develop from a state of sexual dissatisfaction or naivete to sexual maturity through several key sexual experiences. The varied and unique intimate moments they each create for themselves allow each character to discover a partner who in turn helps them understand their own desires and sense of self. We meet and experience MILLENNIAL SEX through these narrators, who are as varied in their identities and sexual interests as in their perceptions of the world they live in, and we discover more and more about each character as the series unfolds, both through their own perceptions, and through the eyes of their partner. Too often the moments that shape who we are exist in the unspoken shadows, in the quiet space of our inner being, unnoticed and unresolved. These are the moments we explore through the perspectives of our narrators, through their hopes and fantasies, traumas and desires; through things they...
