I turned in time to see the large snake open its mouth very wide, while the little ones, every one of them, ran down her throat. I didnt take any accurate notes in black and white, but it made such an impression on my mind that I have nevef forgotten it. -- Clara C. Smith, Berlin, Conn. (c) I was in western New York, on a farm in Moscow, Livingston Co. Going along the bank of a creek, I saw a black snake, which, ! should say, was about two feet long. As I approached, Isawa lot of little silvery snakes squirming about, which, and fairly dark with myriads of these whirling creatures, while one could easily hear the sound of their wings. No one seems to know any thing about them, where they come from, or what they are for. They live only a day or two. I have seen several houses covered with them from top to bottom, and it is any thing but pleasant to walk on the sidewalk--over a layer of the slippery wriggling things. -- Illinois Coolbaugh. This note by no means exaggerates the numbers of these May-flies, or Ephemerce. The editor encountered a swarm on Lake Erie some years ago so dense that in a very few minutes the decks of the steamer were covered an inch or two deep with them, the globes of the lamps were choked full, and the...
