From the creator of Wreck This Journal, an exploration into the creative process and chance. . . Once your quarry is in hand, you'll apply an alteration dictated solely by chance: create a funny character, make it into a building, conceal it, add polka dots, remove a section, add stripes, scribble on top, fold, turn into an article of clothing, make it pretty, and so on. The results: you'll be forced out of habitual ways of thinking or acting, discover new connections, and try things you might not have done on your own, creating a version of The Pocket Scavenger that is unique, dependent on time, place, experience, and you.
