*Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).*

Or at least normal. As if having such an eccentric dad was not enough, Nina has another issue to face: the mirror. Convinced that her birthmark is the only reason she is not popular and cannot find a boyfriend, Nina must find other ways to survive high school.
