AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A lot of people end up questioning what they've chosen to do with their life. Richard Antony, an electrical engineer, went beyond just asking himself the age-old question. In the late 1970s, he convinced his wife, Sandra, a contract specialist, they needed to give up their promising careers and comfortable suburban lifestyle to start an azalea nursery in the foothills of the Virginia Blue Ridge Mountains. Because the couple had no horticultural training or business experience, few mechanical skills, and absolutely no idea what they were getting themselves into, numerous adventures followed. In the proposed Long Mountain book series, Richard recounts, through hundreds of vignettes, the couple's colorful story, a story of triumph and despair, of high expectations and harsh reality, and of the people who touched their lives along the way. In the tradition of such classics as *The Little House on the Prairie* and *Walton's Mountain*, *Mountain of My Dreams* shares the true story of two ordinary people and their memorable, often remarkable 25-year journey. Much more than just another back-to-the-land chronicle, book 2 continues the heartwarming tale of a man, a woman, and their belief in each other. If you've ever wondered why the less traveled road is less traveled, you need to read their story.
