Ember, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Cassandra Clare, New York Times bestselling author of The Mortal Instruments saga "A sparkling, assured fantasy that will make you laugh and break your heart." Melissa Marr, New York Times bestselling author "Readers will laugh, shiver, and maybe even swoon over this modern Gothic novel." Tamora Pierce, New York Times bestselling author "Breathtaking, heartbreaking-a compulsive, rocketing read!" Kelley Armstrong, New York Times bestselling author "A darkly funny, deliciously thrilling Gothic. Unspoken kept me up late, turning the pages as fast as I could." Esther Friesner, author of Nobody's Princess and the Chicks in Chainmail series "With a heroine who kicks butt without ever being a 'Spunky Girl' cliché, Unspoken captures the reader with true magic: alluring, dangerous, fascinating, and breathtakingly real." The Horn Book "Witty, take-charge Kami reads a bit like a British Veronica Mars, and troubled Jared, uncovering his own dark legacy alongside her, is compelling. Brennan thoughtfully and thoroughly explores the implications of sharing a psychic connection; for Kami and Jared, it's by turns comforting, romantic, and agonizing. After this first installment-full of mystery, magic, and nods to both the girl detective genre and gothic romance-readers will be impatiently awaiting the next." Publishers Weekly "A promising launch with a dark cliff-hanger of an ending." Kirkus Reviews "An enjoyable tribute for established fans of the gothic, as well as an enticing introduction for new ones."
