Random House USA Inc, United States, 2004. Paperback. Book Condition: New. Reprint. 203 x 140 mm. Language: English . Brand New Book. In this short novel, Joey Robinson, a thirty-five-year-old New Yorker, describes a visit he makes, with his second wife and eleven-year-old stepson, to the Pennsylvania farm where he grew up and where his aging mother now lives alone. For three days, a quartet of voices explores the air, making confessions, seeking alignments, quarreling, pleading, and pardoning. They are not entirely alone: ghosts (fathers, lovers, children) press upon them, as do phantoms from the near future (nurses, lawyers, land developers). Of the Farm concerns the places people choose to live their lives, and the strategies they use to stand their ground.
