HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Wolf within: How I Learned to Talk Dog, Shaun Ellis, To wolf expert, Shaun Ellis, wolves aren't just his work, they're also his family. An extraordinary man, Shaun has been fascinated by wolves all his life, even living as part of a wild pack for two years with no human contact. What he gained was a unique and fascinating insight into their world, and that of our very own domestic dogs. Shaun Ellis grew up in the Norfolk countryside with a passion for and understanding with animals from an early age. His early fascination with wolves, and determination to understand them, led to him spending years in the US with the Naz Paz Indian tribe, watching wolves, learning to understand their roles and behaviour in the pack and how to communicate with them. He even lived as part of a wild pack for two years, without any human contact. Bringing his knowledge back to the UK, he astonished wildlife experts with his knowledge and insight. He now lives, eats and sleeps with his two wolf packs at Combe Martin Wildlife Park. This is the story of Shaun's determination to understand these extraordinary animals and how what he has learned can help others to understand their own domestic dogs.
