Little, Brown & Company. Paperback. Book Condition: new. BRAND NEW, The Crash of 2016: the Plot to Destroy America--And What We Can Do to Stop it, Thom Hartmann, The United States is more vulnerable today than ever before - including during the Great Depression and the Civil War - because the pillars of democracy that once supported a booming middle class have been corrupted, and without them, America teeters on the verge of the next Great Crash. Hartmann outlines the destructive forces - planted by Lewis Powell in 1971 and come to fruition with the 'Reagan Revolution' - that have looted our nation over the past decade, and how their actions fit into a cycle of American history that lets such forces rise to power every four generations. However, a backlash is now palpable against the 'economic royalists' - a term coined by FDR to describe those hoarding power and wealth - including the banksters, oligarchs, and politicians who have plunged our nation into economic chaos and social instability. Although we are in the midst of what could become the most catastrophic economic crash in American History, a way forward is emerging, just as...
