By reading this book you are going to take a step back in time and journey to the age of the dinosaurs! The dinosaurs are some of the most amazing creatures to live on our planet. They existed around 200 million years ago and continued to exist for 165 million years. The human race has only been around for about 60,000 years. This means that the dinosaurs lived on earth 2750 times longer than we have! For reasons unknown the dinosaurs mysteriously disappeared 65 million years ago and became extinct. The only reason we know they exist is because we have found their fossilized remains in the earth. Humans have come across dinosaur fossils throughout history, but...
