The essential categories of the financial information classification structure for cost accounting are organization unit, funding identification, accounting categorization, program, special descriptors, and financial accumulators. Organization Unit. Organization unit is the level at which financial information is consolidated and reported within an agency or externally to central agencies. An organization unit may also represent a level at which financial information is further consolidated by central agencies after it is reported by program agencies. Based on existing law and policies, agency managerial cost accounting systems need at least three levels: Reporting Entity, the level at which financial statements are produced Responsibility Segments, required for the statement of net costs for external reporting purposes II-2 This item ships from La Vergne,TN. Paperback.
