My public persona has been the normal person everyone sees and most like to be around. The guy, who teaches high school math, was a baseball star in college and has been a songwriter for the last thirty years. Yet in private, behind the mask Ive so meticulously molded, Ive been living with a deep and sometimes paralyzing fear. That fear is... Im afraid to die... This book is about my journey into that world and my efforts to face that fear, a fear that I believe hides deep within the silent recesses of everyones soul, and to see if theres a way out.
