TECHNOLOGY ACQUISITION: BUYING THE FUTURE OF YOUR BUSINESS

Addison-Wesley Professional. Paperback. Book Condition: New. This item is printed on demand. Paperback. 208 pages. With proven, step-by-step solutions, this unique and practical book shows information technology (IT) project managers how to acquire the right technology from the right vendor at the right price for their business. There are numerous project management books on how to build technology, but the increase in project failure, limited resources, and accelerated change in systems and platforms has forced IT managers to move from...

Reviews

Basically no phrases to clarify. It really is writter in straightforward phrases rather than hard to understand. You will not sense monotony at at any moment of your own time (that's what catalogues are for concerning if you ask me).

-- **Doris Beier**

A whole new e book with a brand new point of view. I could possibly comprehended every thing using this written e book. Its been written in an extremely simple way which is only soon after i finished reading through this ebook by which actually modified me, change the way in my opinion.

-- **Marcia McDermott**

Completely essential read book. I could possibly comprehended every little thing using this written e book. You wont sense monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).
