## cyber 24-7: Risks, Leadership, Sharing: Sound advice for the Board, C-Suite, and non-technical executives

By ODell, Peter Leon

CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Cyber security is on everyone's mind; the headlines have been screaming the news about Target and other retail breaches in the last few weeks of 2013. Organizations of all sizes are feeling the pressure to do more, but what to do? This book examines the risks in the current and future realm of cyber-attacks, the leadership elements necessary to mobilize the entire organization and high payoff activities like information sharing that can help you be more prepared and proactive. The content is aimed specifically at board of directors, C-Suite executives, and non-technical managers. Chief Information Officers and Chief Information Security Officers will benefit from increased awareness of the organization, and IT staffers will understand a wider scope of the issues around preparing and defending an organization's prized information. Explanations should be understandable without a deep technical background. We will examine the "people" issues of a strong cyber defense; assembling the right talent pool, and organizing them to be more effective in activities that will protect the organization from a wide range of potential harm inflictors - nation states, cyber criminals, and teenagers with talent...
