

## Managing Strategic Surprise: Lessons from Risk Management and Risk Assessment (Hardback)

Filesize: 3.39 MB

### Reviews

*A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Dr. Isabell Wiza DDS)*

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2008. Hardback. Book Condition: New. New.. 228 x 150 mm. Language: English . Brand New Book. The scope and applicability of risk management have expanded greatly over the past decade. Banks, corporations, and public agencies employ its new technologies both in their daily operations and long-term investments. It would be unimaginable today for a global bank to operate without such systems in place. Similarly, many areas of public management, from NASA to the Centers for Disease Control, have recast their programs using risk management strategies. It is particularly striking, therefore, that such thinking has failed to penetrate the field of national security policy. Venturing into uncharted waters, Managing Strategic Surprise brings together risk management experts and practitioners from different fields with internationally-recognized national security scholars to produce the first systematic inquiry into risk and its applications in national security. The contributors examine whether advance risk assessment and management techniques can be successfully applied to address contemporary national security challenges.
