Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Reminiscences Among the most precious records in the world s literature are the autobiographical accounts wherein great men set forth the story of the development of their powers, and detail the conditions and circumstances under which they lived and among which they worked. If such men have been not only thinkers, but also toilers; if they have exerted a decisive influence at critical periods; if, by the force of their personality, they have been enabled to shape the trend of events, then the tale unfolding the secrets of their inner life and thought, and describing the motives that determined their activity, obtains an even added value. The autobiography in such cases has worth, not only as a psychological study, but also as a valuable historical contribution. The reminiscences of Dr. Wise have indeed this double character. They reveal not only the man, his thoughts, his strivings, his hopes, his ideals, during a most important epoch of his life, but they present also a most valuable account of the conditions prevalent in American Jewry during the critical period of the formative years. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical...
