Excerpt: . . . for the alarm which seems to have been the cause of his inaction. For, regarded in connection with the state of isolation in which the plotters still remained, the insurrection, feeble as it was, became a source of grave danger to the General in command of the troops. It would have been no new thing to have to act against insurgents in vindication of the law, and under the orders of what had been commonly called a Govcrnment; but this time the law was on the side of the insurgents, and the knot of men who had got the control of the offices of the State were not so circumstanced in point of repute as to be able to make up for the want of legal authority by the weight of their personal character. Therefore it was natural for Magnan, notwithstanding his cherished order from the Minister of War, to think a good deal of what might happen to him, if perchance, at the very moment when he was taking upon his hands the blood of the Parisians, the plot of which he was the instrument should after all break down for want of support from men known and honoured as Statesmen. But at length perhaps it was effectually explained to Magnan that he must stand or fall with those to whom he was now committed, and that although he thought to keep himself under the shelter of the C)l(irl;Porder of the Minister of...
