Sense Publishers, United States, 2012. Hardback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Supervising Practices for Postgraduate Research in Art, Architecture and Design offers insights into supervisory practices in creative and design-based research by academics at Royal Melbourne Institute of Technology (RMIT) University, Australia. The book focuses on practices of supervising candidates who are undertaking postgraduate research in art, architecture, design and creative writing. It addresses a decisive shift in the academy towards an emphasis on applied practice-led research undertaken through project-based investigations. This model articulates an effective means to conduct research on knowledge both embodied in, and discovered through creative and design practices. Such knowledge can be understood in the context of broad socio-cultural changes in which creative and applied practice is defining and leading cultural, scientific, technological and creative economies. The contributors to this book investigate a range of supervisory strategies and wider concerns to do with knowledge and its formations. They focus on diverse pedagogical models and methodologies of supervising practices through applied practice-led research, exhibitions, ethics, writing, theory and practice, language and design. The authors are experienced supervisors of creative and practice-led research who have engaged...
