iUniverse. Paperback. Book Condition: New. Paperback. 272 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Watching over Wilbur by author Jack Henderson tells the powerful story of two small-town American boys, one, a feisty Irishman, Keating O'Neil, and the other, an African American, Wilbur Washington. They find their separate life paths joined on the battlefields of Vietnam in a surreal, karmic dance that leads them each through temptation, addiction, greed, romance, and the vicissitudes of war. Both young soldiers are faced with life-and-death choices, while friends and relatives anguish as the news of their struggles reach them stateside. Watching over Wilbur explores wartime issues that are as relevant today as they were forty years ago. Written in masterful dramatic prose, Henderson has composed a novel that speaks to the challenges of social injustice and the life-changing experiences of war and its aftermath. This is a work of rare remarkable power and grace that will not soon be forgotten, and is a must-read for anyone who loves a great story well told. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
