International terrorism has long been recognized as a foreign and domestic security threat. The tragic events of September 11 in New York, the Washington, D.C., area, and Pennsylvania have dramatically re-energized the nation's focus and resolve on terrorism. This issue brief examines international terrorist actions and threats and the U.S. policy response. Available policy options range from diplomacy, international cooperation, and constructive engagement to economic sanctions, covert action, physical security enhancement, and military force. The September 11th terrorist incidents in the United States, the subsequent anthrax attacks, as well as bombings of the U.S.S. Cole, Oklahoma City, World Trade Center in 1993, and of the U.S. embassies in Kenya and Tanzania in 1998, have brought the issue of terrorism to the forefront of American public interest. Questions relate to whether U.S. policy and organizational mechanisms are adequate to deal with both state-sponsored or -abducted terrorism and that undertaken by independent groups. Terrorist activities supported by sophisticated planning and logistics as well as possible access to unconventional weaponry raise a host of new issues. Some analysts long-held belief...
