### ***Reviews***

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

There are, as you are so often glibly informed, some 300,000,000 people in India, and you may infer from such a statement, though this fact is not usually brought prominently to your notice, that so vast a population as this is most heterogeneous in its composition. It is to this heterogeneity that I have to draw your special attention, because the chief characteristic of Indian domestic polity is extreme subdivision. The tendency among all classes of the natives of India is towards the social isolation of groups with contracted interests, and the consequent accentuation of minute differences in habits of life. The results of this are what is generally known as caste, and caste is best denned as eating, drinking and smoking together, and intermarrying. Now, it is caste that underlies and controls all social matters that are peculiarly Indian. At first sight, therefore, in such circumstances, there can be no such thing as a common method of life among the women of a population, which is an ill-assorted compost of wild and savage tribes of diverse origin, of Brahmins and orthodox Hindus, of heterodox Hindus and non-Brahmanists by conviction and birth, of Buddhists and Jains and Parsis, of Muhammadans and Jews and Christians of very long standing, of Aryan and Dravidian races, of aboriginal clans of Aryan and non-Aryan descent, of highly cultivated communities and completely ignorant tribes, of whole peoples within and without the pale of Oriental civilisation....
