Book Condition: New. Publisher/Verlag: Random House UK | The Secret to Enjoying your Work and Life now | The long-awaited follow-up to the groundbreaking world bestseller WHO MOVED MY CHEESE? - a parable with an invaluable lesson for all of us who live and work in today's turbulent times | For over two decades, Spencer Johnson has been inspiring and entertaining millions with his simple, yet insightful stories of work and life that speak directly to the heart and soul. THE PRESENT is an engaging story of a young man's journey to adulthood, and his search for The Present, a mysterious and elusive gift he first hears about from a great old man. This Present, according to the old man, is 'the best present a person can receive.' Later, when the young boy becomes a young man, disillusioned with his work and his life, he returns to ask the old man, once again, to help him find The Present. The old man responds, 'Only you have the power to find The Present for yourself.' So the young man embarks on a tireless search for this magical gift that holds the secret to his personal happiness and business acumen. It is only after the young man has searched high and low and given up his relentless pursuit that he relaxes and discovers The Present - and all the promises it offers. THE PRESENT will help you focus on what will make you happy and successful in your work and in your personal life. Like the young man, you may find that it is the best gift you can ever give yourself. | Format: Paperback | Language/Sprache: english | 110 gr | 200x129x9 mm | 112 pp.
