THE HAPPY LAWYER HANDBOOK (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Each year, thousands of men and women make a decision that will ultimately change not only the course but the quality of the rest of their lives: they decide to become lawyers. From the moment that thick congratulatory envelope arrives, accepting and welcoming them to law school, they begin their journey down a road they hope will lead them to a life of worth and personal satisfaction. Once in the workplace, competition among fellow law firm associates and issues relevant to promotion is analyzed in order to provide a better understanding of who gets promoted and why. Intrinsic in this discussion is the importance of job satisfaction right off...
