But behind the idyllic background, a ghost roams the land-something called a rolling calf, an unnerving, clanking ghost with red eyes. It has a spooky premise, but feels more like The Hardy Boys than Harry Potter. Even while Karl knows he must face an unknown and possibly dangerous adversary, he is surrounded by a family that cares for him. This is a world where kids go five miles to the perfect place to swim or girls spend the day jumping rope. When the adventure does get going, the characters never lose the camaraderie of friends, the touchstone of solid parents, or the importance of a lesson learned. Katerie Prior.
